PROVINCIAL GOVERNMENT  
REPUBLIC OF SOUTH AFRICA

DEPARTMENT OF  
**HEALTH**

## PUBLIC NOTICE

**SUBJECT: DEPARTMENT SEEKS TO PARTNER WITH ALL COMMUNITY AND PRIVATE STRUCTURES TO TAKE VACCINATION PROGRAMS TO COMMUNITIES**

1. The Limpopo Department of Health calls on various community structures such as traditional leadership, civic organizations, churches, political formations and private structures such as the business sector and employers (farms, lodges, retailers etc) who want to enlist their premises as vaccination sites for their constituencies to make applications to the department.
2. For premises to qualify to be a site, the requester must have at least 100 people or more who are willing and they will be available to be vaccinated on a particular day.
3. The department will then send a team of vaccinators to that chosen site, e.g community hall, church, or a business establishment on a day chosen by the requester.
4. Anyone who wishes to make an application can contact the vaccination team leaders at a hospital closer to them or contact the following people for more information:
